## Inception Phase Roadmap

## DISCLAIMER - INCEPTION PHASE ROADMAP

This document ("Roadmap") is for informational purposes only and is intended to provide an overview of the Inception Phase of Dynavision. This Roadmap is provided "as is," with no guarantees of accuracy, completeness, or reliability, and should not be construed as an offer, recommendation, or commitment by Dynavision.

This Roadmap does not constitute an investment offer, nor should it be considered legal, financial, accounting, or strategic advice. Any decisions made based on this material are the sole responsibility of the recipient, who should seek their own professional guidance.

Certain statements in this Roadmap may be considered forward-looking statements and, as such, are subject to extreme uncertainty. No results are guaranteed, and internal and external factors may significantly impact any expectations or projections mentioned. Dynavision assumes no obligation to update or revise this Roadmap if new information arises or changes occur.

The content of this document is the exclusive property of Dynavision and must be treated as confidential. No part may be copied, distributed, or shared without prior written authorization from Dynavision.

## MISSION

- Dynavision: Art, Innovation, and Community in the Web3 World"
- Our mission is to make digital collectibles more accessible, valuable, and meaningful, empowering communities and creators.
- Goal: To create a new generation of digital collectibles with a focus on an engaged community.

## INCEPTION PHASE: BUILDING THE FOUNDATION

- Inception Phase: The initial phase where we experiment, test, and refine Dynavision.
  - **Main goal:** Build a solid community and prepare for Dynavision's first IP.
  - Use of Free IPs (CC0): Creative freedom and innovation in the crypto world.
  - Issuing 4000 NFTs: Launching with the goal of 'collection only' to promote and strengthen the community.
  - 6 Distinct Collections: The NFTs will be distributed through 6 distinct collections, all with free minting (FREE MINT).
- Base Little Cyclops (First Collection): Digital exclusivity, 550 unique pieces. Free minting.
- Next 5 Collections: After Base Little Cyclops, 5 more collections are planned, to be defined as the project evolves

# GROWTH AND IMPACT OF DYNAVISION

## Growth Strategy

- Strategic partnerships with BASED communities in the crypto world, like mfers and larvalads;
- Active promotion of the project on major NFT and Web3 platforms;
- Building a solid base of collectors and supporters.

## Impact of Dynavision

- Dynavision shaping the future of digital collectibles;
- Focus on a collaborative approach, creative freedom, and community empowerment;
- The ultimate goal is to offer exclusive and innovative collections that change how people view NFTs and digital products.

## How to Achieve Our Goal

- Expand the community through engagement actions and rewards;
- Create a network of ambassadors to drive the project's visibility.

## TEAM FORMATION

The Dynavision **Initial** Team: Building the Future Together, form a team of ambassadors committed to Dynavision's growth.

### Ambassador Profile

- People passionate about Web3, digital art, and collectibles.
- Engaged in promoting Dynavision and growing the community.
- Active contributors to content creation and promotion.

### Rewards and Benefits

- Exclusive NFTs and airdrops for ambassadors.
- Engagement with a community based on collaboration and innovation.
- Offer continuous rewards as the team contributes to the community's growth.
- Encourage each ambassador to develop their personal profile and become community leaders.

## THE CLUB

Create an exclusive club with 4000-5000 NFTs.

### Club Benefits (Possibilities)

- Access to new collections: Members will receive new NFTs exclusively;
- White List for future collections: Priority to join future launches;
- Digital exclusivity: Access to unique, limited pieces;
- Community benefits: Interaction with other members in private spaces and exclusive forums;
- Voting participation: Members can influence decisions on the future of collections and the project;
- Airdrops and special rewards: For active and engaged members;
- Revenue potential: In the future, the IP can be used to sell physical products like clothing and merchandise, with member participation;
- Access to exclusive experiences: Like special online events, giveaways, and metaverse experiences.

## CONCLUSION

**Join Us on the Journey!**

**Dynavision is just getting started:** come be a part of the future of digital collectibles and help build something innovative.

**Join the Inception Phase. Together, we can create something great.**
